

Hangar Talk

Issue 11 – November 2013

NEXT MEETING
Nov. 18th, 6:30

From the Prez'
Club President Bob Kleis

Hello Fellow Members,

Don't forget, the election of officers takes place at our next meeting. Here are the candidates for office at the present time:

President
Bob Kleis, Jr.

Vice President
John Houdak
Don Glick

Secretary/Treasurer
Dennis Runge

Also, there will be a place on the ballots for write-ins. It's probably not too late to get nominated for office if you are interested.

The Aviation Class at Central Nine Vocational School has completed their Hobbistar 60 Trainer. The pictures show all of the extreme graphics that their graphics department created and installed. The plan is for them to fly the model behind the school and I was hoping that some of our members could come and fly demo's and help the students try a buddy box on their new trainer. There are eleven students in the class. They want to try and do this before Thanksgiving. I will try and get in contact with as many members as I can to come and fly. It will take place between 11:30 AM and 2:30 PM on a week

day. The teacher is just waiting for a good weather day. If you are interested in coming, let me know. As soon as I find out a date, I will contact you. I took my Radian over to the school with the Spectrum buddy boxes last Friday and did a test flight with one of the students. Everything went fine, and he did three loops in a row. His parents happened to be there to pick him up from school and got to see him fly.

**Your President
Bob Kleis, Jr**

Wilson Low – Vice President

Hello Everyone,

So it's a little colder nowadays...I am NOT ready for winter! Blow the dust off of all your indoor flying machines! I've been getting my little heli's together and checking things out. Should be good to go there...going to have to put together an indoor plane together...and there is always the Quad Copter that I found last year! Hope to see you at some of the indoor flying sessions.

I'm still waiting for the schedules for indoor flying...as soon as I hear something...I will post it on our Facebook page.

It's also that time of year to renew your membership with AMA and our JCRCF Club Dues are due! When you send in your Club dues, please update Denny with your current phone numbers. I think there are several members that we have old phone numbers (bad numbers) so it would be nice to have that updated.

It is also what I call SWAP MEET SEASON! There are swap meets coming up..check in the back of Model Aviation for swap meets in the area. I will post the ones that I hear about on our Facebook page. If you hear or know of one....let me know and I will get it posted for all of us to see. I will try to post a flyer if I get one at the field on the bulletin board as well.

Let us know what your planning on building or working on over the colder months coming up! Always interested in everyones projects! If you want to share a picture, send it to me with a caption and I will get it to Denny to put in our newsletter.

Let's have a GREAT FLYING YEAR! Fly SAFE!

Wilson Low

Fred Rasener – Recording Sec.

September 16, 2013

Meeting called to order at 7:30 with Pledge of Allegiance

Minutes – from last meeting were read and accepted.

Treasurer's report – read and accepted

OLD BUSINESS

- 1. Heartnut fly in had 20 pilots and the club profited by \$390.00. Seemed like the whole Heartnut was down this year.**
- 2. Discussed the recent fatality of a Heli pilot. Tragic accident just reinforces the fact that the safety rules are there for good reasons. So please if you see a rule violation gently remind the person of the proper procedure. Remember the whole club is responsible for the safety of our field.**

NEW BUSINESS

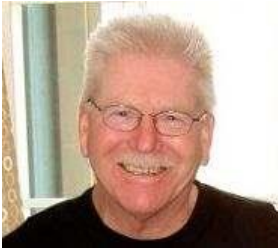

- 1. Event dates for 2014 are to be set at the October meeting.**
- 2. This is the year for officer nominations which will be taken at the October meeting.**

SHOW & TELL –

Al S. showed pictures of a giant Hawker Tempest airplane that he is storing for Wilson.

MEETING ADJOURNED

8:10 pm

Dennis Runge

Hi Everybody,

Don't forget this meeting we'll be voting on new officers for the next two years. Try to make it and cast your vote. It's YOUR club.

IT'S THAT TIME OF YEAR AGAIN; AMA dues and CLUB dues are do by January 1st. You can pay both online if you wish or send checks, either way.

The rest rooms are closed for the winter; the water has been turned off. The rest rooms up by the camp grounds are usually open all year or at least most of the winter.

Also, our December meeting is also our annual Christmas Dinner Meeting. December 16th, 6:00pm, Sirloin Stockade, Columbus. This is also when the new officers officially take office.

Don't forget to log on to our web site or check out our face book page to keep up-to-date on next year's events and happenings.

Some of the indoor flying has already started for the winter months. I'll try to post a schedule at the field as I get word on dates, times, etc.

Let's not forget: the last member to leave the field has to make sure the frequency shed/club house and restrooms are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny

Next Meeting:
Nov. 18th, 6:30
at field
