

Hangar Talk

Issue 4 – April 2013

NEXT MEETING
April 15th, 7:30

From the Prez'
Club President Bob Kleis

Hello Fellow Members,

I was lucky enough to get to go to Toledo RC Show over the week end. It was interesting as always. It is something everyone needs to see at least once. Some of the things I thought were interesting were the fact that there were several booths that had quadcopters. They seem to have a big following. The little ones that Wilson and others have been flying are being marketed by Horizon Hobbies. They want about 4 times what X Heli wants for the exact same thing. Lots of companies selling foamys. Another cool thing was there was a fellow with a booth that would take your picture and create a plastic bust in identical likeness in about 8 different scales for you to put yourself in the pilots seat. Pretty cool. See you at the next meeting.

Your President
Bob Kleis, Jr

Wilson Low – Vice President

Hello Everyone,

Don't know if it's going to stay warm...but this past weekend sure felt pretty good! There isn't much going on at the field. Just guys waiting for a nice day out...that's warm...and not too windy to fly! Cabin fever has definitely set in! Feels good just to get out of the house for a little while and hang out at the flying field. We have a work day scheduled for next month. I don't think that there is a lot to do this year...just a few odds and ends around the field.

I would like to see a few more club events at the field this year. I was thinking maybe an Electric Fly In...There was talk about a Fun Fly last year...etc.

If anyone can help with setting something up, let us know. We appreciate any and all ideas. Great way to help with recruiting new members into our hobby and into our club.

Let's all help make this a great year for JCRCF!

Have FUN and Fly SAFE!

Wilson Low

Support your local Hobby Shops!

Fred Rasener – Recording Sec.

Meeting Minutes

March 18th, 2013

Meeting called to order at 7:30

Minutes read and accepted

Treasurer's report – read and accepted

OLD BUSINESS

1. Denny Runge reported on the Swap Meet – had a good turn out and club made some money.

NEW BUSINESS

1. Set up a club clean up, fix up, paint up day for Saturday, May 11th about 9:30.
Bring something to fly because it shouldn't take ALL day to get things done.
2. Please submit all of your field fix up ideas to Wilson or Denny

SHOW & TELL – none

MEETING ADJOURNED

8:00 pm

From the Editor
Dennis Runge

Hi Everybody,

THE LOCK HAS BEEN CHANGED on the door to the frequency shed at field, your 2013 club dues need to be paid to receive a new key.

I stopped by the parks office today to see if they had any idea when water will be turned on. With any luck at all it should be on this week. The restroom key is on left side of door that goes into the backroom. If the key is hanging there the water is on and restrooms can be used.

While I was at the office I met the new park superintendent, Megan Bowman, and the new asst. superintendent, Jules Erwin. Both were very friendly and receptive to any ideas that could help the park and our club work together to better both of our organizations.

Let's not forget: the last member to leave the field has to make sure the frequency shed/club house and restrooms are locked and secure.

Enough said. See you at field. HAPPY FLYING.

Denny
